

The Pool and Staff

The pool is heated, indoors and 18.3 x 7.3 metres in size. The depth varies from 0.75 - 1.75 metres. It was built in 1973 with money raised locally to contribute towards its construction. Water temperature is normally around 31 degrees Celsius. We rely entirely on volunteers who give their time to manage the pool, including all Lifeguards and Assistants.

WE ARE ALWAYS IN NEED OF MORE HELP.

If you could help, please contact any of the management team or send us an email (rotspa@rotspa.co.uk) Alternatively you can give your details to a Lifeguard Assistant at any public session. Free training is given to all Lifeguards (over eighteen) on a Monday night, leading to the National Pool Lifeguard Qualification.
